

MY ELDERS' FAVORITE SONG!

(CULT. RESP. TEACH)

- Invite students to discover the favorite song of an elder in their family.
- Invite students to share the title of the song in class.
- Using a digital streaming service, play a version of this song for the class.
- After listening, invite students to share what this song might tell them about the elder in their family.
- Extend this music appreciation over time by allowing students to learn and perform these songs on their instruments.
